

FOR SALE

Modern industrial development in Airport Industria King Air Industria, formerly the King David Golf Course, is a 71 hectare industrial park being developed within a radius of 2 km from the Cape Town International Airport. The park offers a secure, landscaped environment with unmatched access to Cape Town International Airport and the surrounding major arterial routes. King Air Industria provides a unique offering to prospective tenants; all warehouses and distribution facilities are to be purpose built to meet the specific needs of each individual tenant. This is a major advantage for tenants that require modern industrial logistics buildings or conduct operations of a highly specific nature. The land sizes vary from 8,000m² to...
