

**FOR SALE**

Modern industrial development in Airport Industria King Air Industria, formerly the King David Golf Course, is a 71 hectare industrial park being developed within a radius of 2 km from the Cape Town International Airport. The park offers a secure, landscaped environment with unmatched access to Cape Town International Airport and the surrounding major arterial routes. King Air Industria provides a unique offering to prospective tenants; all warehouses and distribution facilities are to be purpose built to meet the specific needs of each individual tenant. Therefore, the price will be dependent of the requirements of the tenant. This is a major advantage for tenants that require modern industrial logistics buildings or conduct operations...
