Size from 3,000m² to 25,000m²

Solar City

Solar City I Airport

New logistics facility located at Airport City. The industrial park has direct access via the N2 Highway to the Port of Cape Town as well as the airport. The Cape Town CBD is within easy reach of Solar City providing good access to a workforce.

Solar City is in a prominent location along the airports runway and N2 freeway. Easy access to the N1 as well as R300 highways. This industrial park is ideally suited to logistics and distribution centers.

Features

- ✓ Custom build based on tenant specifications
- ✓ Modern designs and use of newest build tech
- ✓ 24 hour secure industrial estate
