Industrial Property to Rent | King Air Industria

Prime logistics and distribution center development underway at King Air Industrial Park in Airport Industria. It is a 71 hectare industrial park being developed in close proximity to Cape Town International Airport. King Air Industria is a world-class industrial park in a secure, landscaped environment offering purpose-built warehousing and distribution facilities to satisfy the demand for modern and industrial logistics buildings close to international airports and major arterial routes. Airport Industria is a highly sought after industrial hub conveniently located near the Cape Town International Airport. This makes this area a...
